2003 Premiums and Discounts for Wheat Not Available in APSS

Approved by: State Executive Director

1 Overview

A Background

The APSS software has not been updated with the 2003 crop premiums and discounts for wheat. Therefore, if warehouse stored wheat loans are being disbursed involving grades No. 3, 4, and 5, the loan rate will need to be adjusted manually to reflect the grade discount found in Handbook 2-LP Grains and Oilseeds (Rev. 1) Amend. 5, Subparagraph 1426A.

B County Office Action

Until APSS software is updated with the 2003 crop premiums and discounts for wheat, manually remove the 2003 crop wheat loan rate from the county maintained table files. When warehouse stored wheat loans are processed, enter the manually calculated loan rate on screen PLC10000. If wheat loans have already been disbursed, make corrections according to Handbook 12-PS, Par. 1100. Questions concerning this notice should be addressed to Anita Wilson, Price Support Division, at (501) 301-3065.
